Interested in Exhibiting?

By exhibiting at Automation Technology Expo you will meet organizations and factories looking for new suppliers, who want to find goods of the right type, in optimum quantity and at the most economic cost. By taking part, you will forge new relationships in the supply chain, raise awareness of your company and align your brand with current requirements in the sector.

WHY EGYPT

Industrial automation industry in Egypt is expected to reach USD 1.8 billion by 2025

Growing at a CAGR OF 12%, the automation industry is expected to reach USD 3.6 bn by 2030

The growing demand is likely to boost the Industrial automation industry

RIGHT TIME

Application of Industrial robots has come out in full swing across sectors and are changing the manufacturing scenario

Grab the opportunity to explore the market potential through **Egypt** program

Meet, Network and generate business leads from across the globe under one roof

Increased quality standards positions **Egypt** as a reliable business partner to investors

Increasing importance of **Egyptian SMEs** for globally operating companies

WHY EXHIBIT

Engage with leaders and decision makers from across the sector

Generate fresh business leads

Understand the benefits of smart working and tailor your solutions to the needs of the sector

Conduct face-to-face meetings with a highly targeted and engaged audience

Demonstrate your products, services and solutions first-hand in a live environment

Lead the conversation and ensure your business is seen as a forerunner in smart working

Meet with existing customers and gain access to a new range of potential clients

ROI on your investment

EXHIBITOR PROFILE

- ▶ Process Automation
- ▶ Robotics
- ▶ Factory & Industrial Automation
- ▶ Research & technology
- ▶ Software & cloud computing services & service providers
- ▶ Instruments & Control Engineering, Control technology

VISITOR PROFILE

BY TITLE

- Presidents
- Vice Presidents
- Maintenance Managers
- Manufacturers
- Project Managers
- Maintenance Engineers
- Operations Personnel

GOVERNMENT DEPARTMENTS

- R&D Lab
- Electricity Boards
- Defense Space
- Power Plants
- Testing Centers
- Railways
- Energy
- Marketing Managers

PROCESS INDUSTRIES

- Oil & Gas - Upstream, Midstream & Downstream
- Chemicals & Petrochemicals, Fertilizers, Dyes
- Iron & Steel, Metal Industry
- Plastics, Rubber
- Textiles
- Pharmaceuticals
- Refineries
- Cement, Glass
- Paper
- Automobiles
- Printing Packing & Paper Mills
- Food Processing

BY INDUSTRIES

- Communication Systems
- Electronics & Electrical
- Machine Tool Manufacturers
- Communication Systems
- System Integrator
- OEMs
- Engineering Goods
- White Goods
- Consultants
- Energy (Wind, Thermal, Nuclear, Solar)
- Traders
- Chief Engineers
- R&D Manager
- Maintenance Personnel
- Managing Directors
- Plant Managers
- Business Managers
- Technical Directors
- Operations Managers
- System Integrators
- OEM's
- Design Engineers

Call For Paper

We are pleased to inform you that **Int'l Industrial Control and Automation Technology Conference (Automation Technology Expo)** will be held during **20 - 20 July, 2024** at Int'l Fair Ground SFD Hall - Nasr City Cairo, Egypt.

Conference program will consists of overview/ review lecture and report of new developments, technical advances and applications in the industrial control & automation.

We would like to take this opportunity to invite you to submit the abstract of your paper or attend as delegate and take part in this conference.

We would appreciate very much if you could distribute this information to your colleagues and interested peoples.

Thank you in advance for your kind cooperation.

Conference Topics

- Automation Systems
- Automation Technology in Oil and Gas Industry
- Challenges of robotics and automation
- Classification and Standardization
- Computer Aided Design
- Test and measurement technology
- Enterprise Management Systems Integration
- Facilities Management
- Security Systems for Process Control.
- SCADA Applications in Power / Water / Building Automation.
- SCADA & Leak detection systems in Pipeline systems.
- Intelligent Control Systems.
- Other topics related to automation technology.
- Energy Saving Solutions

Instructions for making abstract

1. The official language is English.
2. Use Microsoft Word format.
3. Abstract format:
 - 1) Title of the abstract. (In lower case and should be centered.)
 - 2) Name of presenting author.
 - 3) Mailing address for presenting author.
 - 4) Abstract body. (About 600 words or 1page)
 - 5) Times (New) Roman font in 12 pt size and single line spacing.
 - 6) 2.54cm each of left and right page margins.

Deadline abstract submit by 5th June 2024 Selected full papers should be submitted by 25th June, 2024

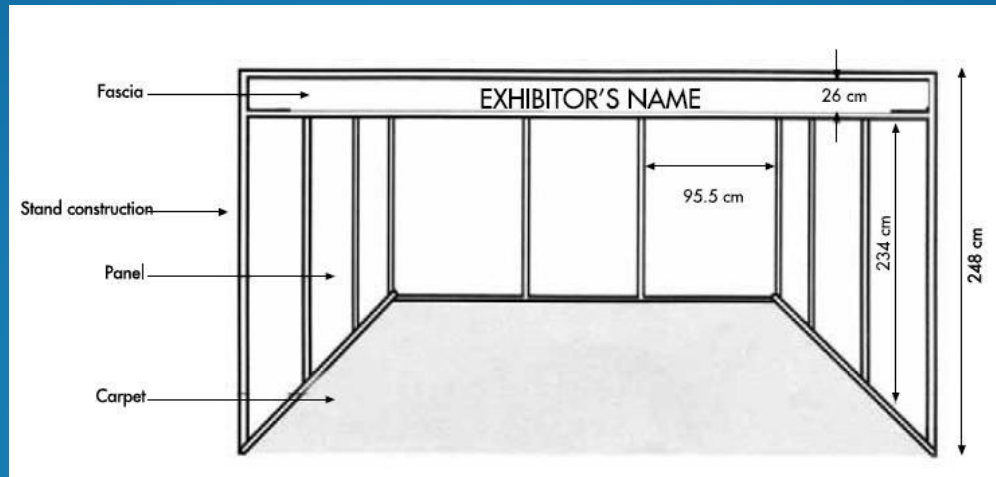

FOR BOOKINGS:

E: marketing@smbegypy.com - automationeg25@gmail.com

M & Whats : +20 11 505 40 883 - 0100 7274 969

How to Participate?

300 US \$ per m²

STAND-FITTING SERVICE

Including floor space rental, stand construction, carpet, fascia, fluorescent lighting, stand carpet cleaning.

Minimum space size for this option 9 sqm
